Subject: [EXTERNAL] - 24 Georgiana Rd.

Kerri,

Please let the Board know the Fire Department is ok with the new roadway and to create two lots on 24 Georgiana Rd.

I have spoken with Stephen Dresser and he will be submitting a truck turn plan, and the installation of a Cape Cod berm in the cul- de- sac for Fire Apparatus access .

If any members of the Board have any questions please do not hesitate to contact the Fire Prevention Bureau.

Thank You,

Stephen Kennedy
