

4/28 Ditson Reuse Committee

Meeting Called to order: 7:05 pm at the old Ditson School

Committee members present: Justin Damon, Stephane Lacombe, Randy Meuse, Rob Anderson, Andrew Deslaurier

Multiple members of the public present

Mark LaLumiere from the town building department conducted the tour of the building

Committee toured most the building that was safe to be examined.

Questions were asked regarding the following:

1. Clean up of items left by the Sherriff
2. Structural integrity of the building itself
3. Integrity of plant and power of the building
4. Possible functional use of the building in current state
5. First, second and third project priorities that would be needed to restore the building
6. Redemption of usable materials from the building if raised: wood work, time capsule
7. Status of underground storage tank

No votes taken

Meeting Adjourned: 8:05 pm
